

Getting to East Riding College Trade Union Studies Centre by Public Transport

Trains run direct to Hull from Manchester, Sheffield, Scarborough, York and London. The Bus Station is adjacent to the railway station.

- On arrival follow the signs for the taxi rank and then turn right onto Ferensway. The Cenotaph is across the dual carriageway on your left.
- Carry on along this road for about 400 yards, crossing Anlaby road and heading towards the Ice Arena. When you reach the busy A63 roundabout cross at the crossing towards "Toys R Us".
- Turn right along the main road for 475 yards until you reach the Vauxhall public house.
- Turn left into St James Street - the centre is 75 yards down on your right.

The shortest route from the stations takes you though an estate which can be a little intimidating after dark.
